Return to normal 5th green: Due to drainage works in front of the new green the normal green is surrounded by marked GUR area.

Please be particularly careful and diligent in repairing pitch marks.

Please add YOUR CAPTAIN to your scorecard to assist the volunteers.

You must record your gross score on your scorecard (and to help please add your Stableford) and you must enter your result into the PSI.

Reminder: Winter rules are in play, pick and place six inches on closely mown, relief from an embedded ball anywhere through the green.
