RMGC Local Rule

Due to ongoing aeration works on the golf course a temporary local rule is being introduced with immediate effect and until further notice:

When a player's ball lies in a part of the general area cut to fairway height or less,

the player may take free relief once by marking and placing the ball within 15cm (6 inches) of the original ball, not nearer the hole.

In proceeding under this Local Rule, the player must choose a spot to place the ball and use the procedures for replacing a ball under Rules 14.2b(2) and 14.2e.
