Policy #10: Guest Vouchers

All Full Members may purchase a maximum of three vouchers annually to be used by their guests for green fees. These vouchers may be purchased by no later than 15th January at the start of the year only from the Office and only by those who have paid the full annual subscription. The price of these vouchers, if available, will be determined annually by the Board of Management.

Members must register all their guests with Reception before playing and must play with their guests. Vouchers may not be transferred and cannot be refunded if unused during the year.

Guest vouchers may be carried forward to the following year if the following conditions are met:

- ❖ The Member has paid the full annual subscription for the following year.
- ❖ The old vouchers have been presented to the Office by 15th January at the latest. They will then be replaced by new vouchers by the Office provided that any increase in cost from year to year has been paid.
- ❖ No Member can hold more than three guest vouchers in any year. So, if for example, a Member has one unused voucher from 2020, he may replace it with a new voucher for 2021 and then purchase no more than two additional guest vouchers for 2021 if available.
