

RMCC Policies & Procedures

Policy #12: Sourcing of Competition Prizes.

A. General.

This policy applies to ALL competitions organised and run at the RMGC and therefore applies to the Men's, Ladies' and Juniors' Sections as well as to Happy Gilmores.

The provision of prizes and cash by sponsors must be defined in their sponsorship agreements.

More, smaller value prizes rather than fewer, higher value prizes should be provided in accordance with the established practice of ensuring that competitors compete primarily for the honour of winning rather than for the prize itself.

Prizes must not be provided that compete with products sold by the Pro Shop. Such products must be purchased through the Pro Shop at competitive prices in line with the Club's contract with the Pro Shop.

Prizes are generally sourced in one of three ways:

1. Some sponsors provide the prizes themselves.
2. Some sponsors provide cash, all or some of which is credited to the Captain's Committee Competitions' Account to source prizes.
3. Some competitions rely on the income from entry fees to provide the prizes.

B. Use of Redeemable Vouchers

Although a trophy / memento may be awarded by a sponsor or the Club, the awarding of what are effectively "cash" prizes sourced through 2 or 3 above will be made in the form of redeemable vouchers only.

In order to support the RMGC as a whole and not show preference to any particular individual or outlet, the redeemable vouchers will only be redeemable at the Pro Shop for goods or services (in line with the Club's contract with the Club Professional) or for golf lessons provided by the Club Professional or his assistant.

Any change to the way in which vouchers may be redeemed, as stated above, must be approved by the BOM.

For administrative purposes all vouchers will have an expiry date of three months after the end of the month in which they are issued.

Approved by BOM: 21st October 2014.
