Policy #2: Becoming a Member of the RMGC

A. General

Under a long standing arrangement, which dates back to the early 1900s, those wishing to join the RMGC are required to be members of the Marsa Sports Club (MSC) and are bound by its constitution.

As members of the MSC they (and their family if they join in that category) are able to make use of MSC's other sporting facilities together with the swimming pool, bars and restaurants. The use of the various sporting facilities is subject to payment of fees determined by the MSC's Committee of Management.

B. Process of Joining RMGC

All applicants are required to complete an application form in full and submit this to the RMGC Office. They must produce evidence of MSC membership. The applicant may be required to meet the Captain (or the Vice Captain in his absence). Successful applicants will have their applications processed and will then be invoiced and, upon settlement, will become Members.

Applicants are able to play golf at the RMGC during the joining process, on payment of the requisite Green Fees.

C. Fees and Subscriptions

Current joining fees and subscriptions will be provided by the RMGC Office.
